Support AE911Truth with your ongoing financial monthly commitment. Help us continue our remarkable momentum, improve our effectiveness, and expand outreach to architects and engineers and all across the world.

Our responsibilities, time commitment and expenses are growing dramatically daily. We also must purchase computers, printers, software, and take on increasing travel and legal expenses. We need your help to sustain our efforts and growth.

If you believe that our work is of value then please personally step up to the plate and consider carefully what level of giving you can stretch to. No donation is too small.

Three ways to donate:
1. Online: AE911Truth.org
2. By Phone: (510) 548-9334
   2342 Shattuck Ave., Suite 189
   Berkeley, CA 94704

Thank you.
Our Projects and Resources Include:

Website
Packed with evidence and resources, including:
- Peer-reviewed articles
- Talks/presentations
- Audio, video and other multimedia
- Action steps and the petition
- The latest news from AE911Truth

The PowerPoint Presentation
The self-paced 500-slide multimedia presentation is available for online viewing and distribution to educate the public.

The DVD
Watch it online and order copies to distribute. In this groundbreaking professionally-filmed 2-hour multimedia presentation, Richard Gage, AIA provides the overwhelming evidence of explosive controlled demolition on 9/11.

Speaking Engagements
Our members give multimedia presentations around the world

Educational Materials
A variety of materials are available on our online store for outreach, including books, postcards, banners and stickers.

Comments:

“...courageous and comprehensive work ...Richard Gage has inspired and awoken the very professionals on whose ignorance and silence the cover-up of the 9/11 crime depend...”
— Jim Hoffman

“...I sincerely believe that you will go down in history as being the heroes of our time.”
— Mark S. Von Wald

“Yours is “the” most credible site regarding this issue I’ve seen. Your work is invaluable to America, the continuation of our sovereignty, and the continued freedom of our nation. May God bless and protect you.”
— S.T.

“Late last night I ended up on www.AE911Truth.org and spent till 5AM this morning reviewing the [slide show]... My world is forever changed...”
— Steve Smith

“AE911Truth.org defies the official version of a complete structural failure of WTC Towers 1 and 2. AE911 proves that a free fall of these steel structures into their own footprint is a story without merit and a challenge to common sense.”
— Keith Burns, Architect

Who We Are
Architects & Engineers for 9/11 Truth (AE911Truth) is a non-profit corporation. We are a non-partisan association of architects, engineers and affiliates dedicated to exposing the falsehoods and to revealing truths about the “collapses” of the World Trade Center high-rises on 9/11/01.

Our Priorities Include
- Dispelling misinformation with scientific facts and forensic evidence
- Educating and motivating thousands of architects and engineers and the public at large
- Procuring a truly independent 9/11 investigation with subpoena power;
- Achieving 9/11 Truth mainstream media coverage

What We Do
- Speaking engagements throughout the world
- Frequent interviews on radio and TV
- Leaflet, survey, and educate A&Es at conventions
- Support local street actions with our AE911Truth banners and materials
- Research and examine the latest evidence

Founder
Richard Gage, AIA is the founding member of Architects & Engineers for 9/11 Truth. A practicing Architect for 20 years, he has worked on most types of building construction including numerous fire-proofed steel-framed buildings. He is employed with a San Francisco Bay Area architecture firm.
